While I was walkin' one mornin' for pleasure
I spied a young cowboy just ridin' along
His hat was thrown back and his spurs were a jinglin'
And as he approached he was singin' this song
Yippy ti yi yo get along little doggies it's your
misfortune and none of my own
Yippy ti yi yo get along little doggies you know that
Wyoming will be your new home
[guitar]
Now, early in spring we'll round up the doggies
Mark 'em and brand 'em and bob off their tails
Round up the horses load up the check wagons
And follow the doggies on the lonesome old trail
Yippy ti yi yo get along little doggies...
[harmonica]
