Down on your luck lookin' for an answer Why does love keep slippin' away You want somebody that you can count Oh, well girl this is your lucky day

I'm ready to start I'm the one to fix your broken heart I'm workin' on a feelin' oh baby you're second to none

Yeah, you got me reelin' And if you're lookin' for love I'll get the job done If you're lookin' for love I'll get the job done

You might think that you could do better But baby please don't waste this chance Don't go lookin' any further 'Cause you're lookin' at a true romance

Don't say no come on baby I'm ready to go I'm workin' on a feelin'

If your heart needs repair or just a little love and care Don't worry I'll be standing there I'm workin' on a feelin' If you're lookin' for love I'll get the job done
