Just look at you, girl
Standin' here beside me
Starlight on your hair
Lookin' like a dream
I dreamed somewhere

And look at me, girl
You got me actin' just like a lover
In an old time picture show
And how I got the part
I just don't know

But it's written
All across your face
Plain as it can be
You're the one
That I was lookin' for
Now you're all
That I can see

And you mean everythin' to me
And I'd do anythin'
To have you stay forever
I'm an ordinary man
But I feel like I could do
Anythin' in the world
When I look at you, girl

Just look at you, girl
Walkin' here beside me
In misty mornin' light
I see my own reflection
In your eyes

And you smile at me, girl
With eyes that tell a story
That words can never say
Tellin' me your love
Is gonna stay

And we're standin'
Right together now

In everythin' we do
And if my world
Should come apart
I'll still be lovin' you

'Cause you mean everythin' to me
And I'd do anythin'
To have you stay forever
I'm an ordinary man
But I feel like I could do
Anythin' in the world
When I look at you, girl
