Hey, I'm a man, I'm a guy, I'm a dude
I'm a dose of double trouble if I get attitude
You can see I'm hard workin' by the sweat on my brow
If I don't know somethin' about it better bet I'll learn
how

I been tattooed by a few battle scars
No, I ain't somebody, somebody can push too far
You're just a shade over five foot two
Oh, but girl with just a look you get me shaking in my
shoes

You say jump and I'll say how high
You say do and I don't ask why
You get a lock and baby I'll be the key
That's what loving you means to me

You toss the stick and baby I'll fetch it
You set the time and girl I'll stretch it
I'll be your everything from A to Z
That's what loving you means to me

Well, I could live to be a hundred and I'll never
understand
The mystifying power woman has over man
I could set my mind to walk across a bed of hot coals
But the thought of life without you makes my blood run
cold

I remember declaring as a younger man
That there weren't a woman out there who could fence
me in
But you got me wrapped up like a belt in a buckle
Down on my knees girl you got me crying uncle

You say jump and I'll say how high
You say do and I don't ask why
You get a lock and baby I'll be the key
That's what loving you means to me

You toss the stick and baby I'll fetch it
You set the time and girl I'll stretch it

I'll be your everything from A to Z
That's what loving you means to me

Well, you got me wrapped up like a belt in a buckle
Down on my knees girl you got me crying uncle

You say jump and I'll say how high
You say do and I don't ask why
You get a lock and baby I'll be the key
That's what loving you means to me

You toss the stick and baby I'll fetch it
You set the time and girl I'll stretch it
And I'll be your everything from A to Z
That's what loving you means to me
