In a world of losers, filled with wrong turns  
Where so many bridges seemed destined to burn  
The odds are so great, the chances so slim  
To find the right her for just the right him

#### CHORUS

We're two in a million, exceptions to the rule  
I followed my heart and love led me to you  
It's a gamble at best, so easy to loose  
But the first time we kissed we both knew  
We're two in a million, two who found one love that's  
true

What some call love, can be lost overnight  
You find there's a tunnel at the end of the light  
But here in your arms, the only surprise  
Is the way love keeps growing as time passes by

#### CHORUS

We're two in a million, two who found one love that's  
true  
We're two in a million, two who found one love that's  
true
