Discouraged is the word these days at homes across
the range
The livestock markets down and it don't look like it's
gonna change
And nobody's found a cure for what we're goin'
through
But I'll tell you boys just what I'm gonna do

Well I'm gonna saddle up old paint right after shipping
time
Ride out on the mountain among the aspens and the
pines
And take along my fishing pole and leave my cares
behind
And find myself a little peace of mind

I'm gonna ride up on the mountain live like a mountain
man
Lay my body on the ground, eat from a fryin' pan
Well I know it's not the answer but I'm gonna try to lose
Oh these dog gone low down workin' cowboy blues

Well next year might get better yeah that's what they
always say
But I've seen a string of next years come and Lord
they're all the same
But as long as there's a mountain, someplace to get
away
Well this old cowboy just might not go insane

I'm gonna ride up on the mountain live like a mountain
man
Lay my body on the ground, eat from a fryin' pan
Well I know it's not the answer but I'm gonna try to lose
Oh these dog gone low down workin' cowboy blues
Oh these dog gone low down lonesome workin' cowboy
blues
