Watching her
Strolling in the night so white
Wondering why
It's only after dark

In her eyes
A distant fire light
Burns bright
Wondering why
It's only after dark

I find myself in her room
Feel the fever of my doom
Falling falling
Through the floor
I'm knocking on the Devil's door, yeah!

In the dawn
I wake up to find her gone
And a note says
Only after dark

Burning burning in the flame
Now I know her secret name
You can tear
Her temple down
But she'll be back
And rule again, yeah!

In my heart
A deep and dark
And lonely part
Wants her and waits for
After dark
After dark
After dark
After dark
