There's guns across the river aimin' at ya
Lawman on your trail, he'd like to catch ya
Bounty hunters, too, they'd like to get ya
Billy, they don't like you to be so free

Campin' out all night on the berenda
Dealin' cards 'til dawn in the hacienda
Up to Boot Hill they'd like to send ya
Oh, Billy, don't you turn your back on me

Playin' around with some sweet seniorita
Into her dark hallway she will lead ya
In some lonesome shadows she will greet ya
Oh, Billy, you're so far away from home
