I'm a prisoner here  
By your design  
And the key to the door  
Oh I can't find

Closin' in here, baby  
Are these four walls  
Not even a dime will you give me  
To make my one call

I don't know  
What a man's suppose to do  
When the joy is gone  
Gone away from you

[Chorus:]  
Ain't no hammer, ain't no rock  
Can break the lock on these chains  
These chains of love

I drag down the boulevard  
This ball of steel  
And the ties that bind me  
Girl, are all too real

I gotta go free  
Like a bird up in the air  
Like a child in the school yard  
Without a care

[Chorus:]  
Ain't no hammer, ain't no rock  
Can break the lock on these chains  
Ain't no spell none I can tell  
Can take away these chains  
Ain't no how to get out  
Outta these chains of love  
These chains of love

[Bridge:]  
Look at the clock  
So much time

I Look again  
And the hands are stopped

[Chorus:]  
Ain't no hammer, ain't no rock  
Can break the lock on these chains  
Ain't no spell none I can tell  
Can take away these chains  
Ain't no how to get out  
Outta these chains of love  
These chains of love  
Outta these chains of love  
These chains of love
