

## Los Lobos "I Walk Alone"

Visit "[I Walk Alone](#)" on [MotoLyrics.com](https://www.motolyrics.com)

I'll walk alone if I can't walk with you  
I'll walk alone if I can't walk with you  
I don't want nobody else, nobody else will do

Life is too precious to live alone  
Life is too precious to live alone  
A house without love is not a home

I close my eyes and hold you tight  
I close my eyes and hold you tight  
It's a dream I have about every night

I'll walk alone if I can't walk with you  
I'll walk alone if I can't walk with you  
I don't want nobody else, nobody else will do
