Kiko and the lavender moon  
Out playing, makes believe  
Nobody can see

And then he waits  
And then he fakes  
And then he bends  
And then he shakes

He plays and plays  
Still playing till he  
Goes off to sleep

Kiko and the lavender moon  
Out dancing making faces at  
A big black cat

And then he flies  
Up to the wall  
Stands on one foot  
Doesn't even fall

Dance and dance  
Still dancing till  
He goes off to sleep

He always sleeps  
Till the sun goes down  
He never wakes  
Till no one's around

He never stops  
Can't catch his breath  
It's always there  
Scares him to death

Kiko and the lavender moon  
Out dreaming 'bout green shoes  
Haircuts and cake

And then he wishes  
The world away

And then he kneels  
As if to pray

He dreams and dreams  
Kiko and the lavender moon
