On a night like this  
So glad you came around  
Hold on to me so tight  
And heat up some coffee grounds

We got much to talk about  
And much to reminisce  
It sure is right  
On a night like this

On a night like this  
So glad you've come to stay  
Hold on to me, pretty miss  
Say you'll never go away to stray

Run your fingers down my spine  
Bring me a touch of bliss  
It sure feels right  
On a night like this

On a night like this  
I can't get any sleep  
The air is so cold outside  
And the snow's so deep

Build a fire, throw on logs  
And listen to it hiss  
And let it burn, burn, burn, burn  
On a night like this

Put your body next to mine  
And keep me company  
There is plenty a room for all  
So please don't elbow me

Let the four winds blow  
Around this old cabin door  
If I'm not too far off  
I think we did this once before

There's more frost on the window glass  
With each new tender kiss

But it sure feels right  
On a night like this
