The wind blows through the valley, it's warm and hard
and wild
It gets up all inside the trees and shakes the leaves all
night
They shake up through the mountains, they shake up to
the sky
They shake up to the moon above and then it starts to
shine

And Lord it makes me tremble
And Lord it makes me tremble

Shakin' and shakin' and shakes
Shakin' and shakin' and shakes
Shakin' and shakin' and baby
They shakin' and shakin' and shakes

A fault runs through the valley as long as it is mean
It starts to tear into the earth and gets all in between
It shakes up through the mountains, it shakes down to
the sea
It shakes up to the volcano and then it starts to scream

And Lord it makes me tremble
And Lord it makes me tremble

Shakin' and shakin' and shakes
Shakin' and shakin' and shakes
Shakin' and shakin' and baby
They shakin' and shakin' and shakes

There's a woman in this valley, she's sweet as she is
rough
And when she starts to dance that way, she shakes the
boys all up
She shakes it through the mountain, she shakes it
through the night
She shakes it like a hurricane, she gives a blind man
sight

And Lord it makes me tremble
And Lord it makes me tremble

Shakin' and shakin' and shakes
Shakin' and shakin' and shakes
Shakin' and shakin' and baby
They shakin' and shakin' and shakes

Shakin' and shakin' and shakes
Shakin' and shakin' and shakes
Shakin' and shakin' and baby
They shakin' and shakin' and shakes, alright
