Someday I will go home
Someday I will go home
And I'll find peace in the house
Of my Heavenly Father, Lord
I will feel pain no more

God, G-G-God

I know down in my heart
I know, it won't be long
Till I shall see, see the face
Of my Savior, oh Lord
And I will feel, I will feel
I will feel, I will feel pain no more

I will feel pain no more

Someday, I will go home
Someday, I will go home
And I shall take, take the hand
Of my Savior, oh Lord
I will feel, I will feel, oh Lord
I will feel pain no more

Oh yeah, oh I'm goin' home
I'm goin' home, playin' no more
I'm goin' home, I'm goin' home, yes I am
I'm goin' home to live with my mother

I'm goin' home where there is no more pain and sorrow
Goin' home, oh yes I am, to rest for all of my labour
Goin' home, goin' home, goin' home to meet my
mother
Goin' home just to meet my loving father, goin' home
