You, one two three, one

Looking out my window  
I see my world has changed  
The sun won't rise this mornin'  
'Cause my baby's gone away

Yesterday I can tell myself  
That she'd be back for sure  
But that train don't stop here anymore  
Anymore, anymore

She used to go out with the girls  
Every now and then  
She always came home early  
We'd jump in bed by ten

She'd tell me that she loved me  
She would forevermore  
But that train don't stop here anymore  
Anymore, anymore, anymore

Alright

Nothin' changes faster  
Than baby's fickle mind  
I know she' lovin' someone  
Somewhere down the line

I know that she still has a key  
I'm waiting by the door  
But that train don't stop here anymore  
Anymore, anymore, anymore, hey

Knock yourself of it

She ran out through the back door  
Screamin' in the night  
She said I was the devil  
I didn't treat her right

The man down at the station

Said that was her for sure  
Now that train don't stop here anymore  
Anymore, anymore, anymore
