Take a load off, baby
Get off your feet
Just kiss me darlin'
Baby, make it long and sweet
"cause I tell you baby, I am the man to beat

I wanna hold you closer yeah
Hold you close to me
Just let me love you baby now
Darlin' make it long and sweet
"cause I tell you baby, I am the man to beat

'Scuse me...
Harp Solo

Just let me love you baby now
Darlin' make it long and sweet
"cause I tell you baby, I am the man to beat

I wanna hold you close now
Yeah hold you close to me
Just let me love you baby now
Now Darlin' yeah this time make it short and sweet
