I can't believe where I'm at today.
Lord, I'm glad to be alive.
It's been so long since I felt this strong.
Nothin's gonna get me down.

Say what you want. Do what you will.
But, that won't change the way I feel.

How can you see if there's good in me
If you never even try?
Give me some time; I might change your mind.
But if I don't, well, that's alright.

Say what you want. Do what you will.
But, that won't change the way I feel...

The way I feel.
But, that won't change the way I feel.

Oh, I can't save the world, but I'm gonna try.
Don't you want to change this world?
Oh, we're runnin' out of time!

Say what you want. Do what you will.
But, that won't change the way I...
But, that won't change the way I...
Say what you want. Do what you will.
But, that won't change the way I feel.
