Whatever gets you through the night  
It's alright, it's alright  
It's your money or your life  
It's alright, it's alright  
Don't need no sword to cut through flowers  
Oh no, I said, oh no

Whatever gets you through your life  
It's alright, well, it's alright  
Do it wrong or do it right, well, baby  
And it's alright, it's alright  
Don't need no watch to waste your time  
Oh no, I said, oh no

Hold me, darlin', come on, listen to me  
I won't do you no harm, oh no  
Trust me, darlin', come on, listen to me  
Listen to me, baby, come on, listen, listen

Whatever gets you to the light  
It's alright, it's alright  
Out the blue or out of sight, yeah, baby  
It's alright, well, it's alright  
Don't need no gun to blow your mind, no  
Oh no, I said, oh no

Hold me, darlin', come on, listen to me  
I won't do you no harm, oh  
Trust me, darlin', come on, listen to me  
Come on, listen to me, listen, listen

Well, it's alright, it's alright  
It's alright, it's alright  
It's alright, well, it's alright  
It's alright, it's alright  
Well, it's alright, it's alright  
And it's alright, it's alright
