You are a mystery and it amazes me..
how anyone can look in your eyes, and just pass by
Somewhere inside the crowd you wonder if you stand
out
all i know is you do to me..
You're the one that i see
There's nothing that you have to do..
There's no one that can be like you..

i know you don't believe it, you think about the season..
there's something deep inside,
there's a beauty you can't hide
you're an unforgettable, and it's undeniable.. you are..
An extraordinary girl, in an ordinary world
(lyrics by: illestbrian)

I wish that you could see the way you look to me,
then maybe you would understand.. why im a lucky
man
there's just something about you,
you light up everything around you
like a shooting star,
cause it's the way you are..
and i just want to let you know,
that i never wanna let you go

i know you don't believe it, you think about the season..
there's something deep inside,
there's a beauty you can't hide
you're an unforgettable, and it's undeniable.. you are..
An extraordinary girl, in an ordinary world

Don't feel like you gotta change,
there's nothing that can make you better
you don't ever have to run away from who you are..
Ouuu.. cause i love who you are.. Ohhh.. ouu..

i know you don't believe it, you think about the season..
there's something deep inside,
there's a beauty you can't hide
you're an unforgettable, and it's undeniable.. you are..
An extraordinary girl, in an ordinary world
