On a night like this,
I could fall in love, I could fall in love with you
In this dark so dense, we talk so soft
The way young lovers do.

The day's last sigh
Turns a cool night breeze
And this love hangs thick like these willow leaves
Iâ€™ve hid myself away from this
But your silhouette is a Judah's kiss

The day's last sigh
Turns a cool night breeze
And this love hangs thick like these willow leaves
Iâ€™ve hid myself away from this
But your silhouette is a Judah's kiss

On a night like this
I could fall in love, I could fall in love with you
