And so it is  
Just like you said it would be  
Life goes easy on me  
Most of the time

And so it is  
The shorter story  
No love, no glory  
No hero in her skies

I can't take my eyes off you  
I can't take my eyes off you  
I can't take my eyes off you  
I can't take my eyes off you  
I can't take my eyes off you  
I can't take my eyes off you

And so it is  
Just like you said it should be  
We'll both forget the breeze  
Most of the time

And so it is  
The colder water  
The blower's daughter  
The pupil in denial

I can't take my eyes off you  
I can't take my eyes off you  
I can't take my eyes off you  
I can't take my eyes off you  
I can't take my eyes off you  
I can't take my eyes off you

Did I say that I love you?  
Did I say that I want you?  
And leave it all behind

I can't take my mind off you  
(I can't take my mind off you)  
I can't take my mind off you  
(Can't take my mind off you)

I can't take my mind off you  
(Can't take my mind off you)  
I can't take my mind off you  
(off you)  
I can't take my mind off you  
(my mind off you)  
I can't take my mind  
My mind (my mind) off you
