Oh my commanding wife, she want to destroy my life
Oh my commanding wife, she want to destroy my life

Yo, Yo, Yo, Yo.... All for the hip-Hop
Yo, Yo, Yo ,Yo.... Wooopaaa
Yo, Yo, Yo, Yo.... All for the hip-Hop
Yo, Yo, Yo ,Yo.... Wooopaaa

En el tanque de guerra me pasa a buscar
La teniente Gladys Oderais
Es correcto; mi esposa y en particular
fuerza de defensa de Panama

Oh, oh, oh, commanding wife,
No me deja de vigilar,
Mi casa es un arsenal.
She want to destroy my life

Oh my commanding wife, she want to destroy my life
Oh my commanding wife, she want to destroy my life
Oh my commanding wife, she want to destroy my life
Oh my commanding wife, she want to destroy my life

La metralla koreana ella suele llevar,
Por si hay alguna novedad.
En el cine de misiles no me para de hablar,
Y quiere que le compre una Bomba Nuclear.
Oh, oh, oh, Commanding wife,
No me deja ni respirar,
Me dice ni un paso atr?s.

Guess what's up, listen to the flow
Eh Oh!
I don't believe, lo que hace conmigo my woman police,
She have una placa, y controla the law,
Pero yo la someto in the house con el ahhh!!
A toda la mujer que le gusta la pistola,
Ella quiere que le dispare en un lugar especial
A toda esa yale que son bien mandonas
A la hora de la cama la sonrisa es de verdad
Dedicado a la mujer que le gusta la pistola

Por que ella quiere que le dispare en un lugar original
A toda esa yale que yo tengo en Panam?
Yo! voy pa all?, Yo! voy pa all?

Oh my commanding wife, she want to destroy my life
Oh my commanding wife, she want to destroy my life
Oh my commanding wife, she want to destroy my life
Oh my commanding wife, she want to destroy my life

Back to Back, belly to belly
Ay beli bien belicosas son algunas mujeres
Back to Back, belly to belly
Y esas me tocan a mi, caballero!
Back to Back, belly to belly
Un cuartel militar que en la casa ella quiere
Back to Back, belly to belly
Pa no dejarme salir a mi

Back to Back, belly to belly
Ay beli bien belicosas son algunas mujeres
Back to Back, belly to belly
Y esas me tocan aha!
Back to Back, belly to belly
Un cuartel militar que en la casa prefiere
Back to Back, belly to belly
Pa no dejarme salir

Cent, five cent, quater, dollar
Cent, five cent, quater, dollar buay
Ten Cent, Ten cent, five cent, five cent
Quarter, quarter, dollar buay
Cent, five cent
Quarter
YO!
