En el tanque de guerra me pasa a buscar  
La teniente Gladys Oderais  
Es correcto; mi esposa y en particular

La metralla koreana ella suele llevar  
por si halla alguna novedad  
En el cine de misiles no me para de hablar  
Ella quiere que le compre una bomba nuclear

Oh oh oh comanding wife no me deja ni respirar  
me dice ni un paso atras  
(yes wats up listen to the fflow)

Eh I don't believe  
Lo que hace conmigo my woman police  
she have una placa y controla the law  
pero yo la someto in the house con el Jaaaa....  
A todas las mujeres que les gusta la pistola  
ella quiere que le dispare en un lugar especial  
Y a todas esas guiales que son bien mandonas  
a la hora de la cama las suavizo de verdad  
Dedicada a la mujer que le gusta la pistola  
porque ella quiere que le dispare en un lugar originall  
A todas esas guiales que yo tengo en Panama  
yo voy pa allÃi, yo voy pa allÃi.....
