I bought a new pair of shoes  
That's irrelevant to this song  
So I look to welcome you  
To an album by Chris Moyles

He's got some special guests to  
And he's changed all the lyrics around  
So without further a due  
Here's an album by Chris Moyles

Yeah the orchestra plays and the albums begun  
The lyrics are quite silly, but I think they are fun  
So do not judge this album yet it's only track 1  
It's an album by Chris Moyles

And we'll be dancing and singing  
And climbing up on the tables  
He'll be singing with Robbie and with Olly and Ed  
It's only track 1 and there's lots more to come  
On the album by Chris Moyles

So now I'm singing this song  
In this studio somewhere in town  
So why don't you sing along  
To the album by Chris Moyles

There is no sign of Chris  
I was told this was a duet  
And think he is taking the mick  
On this album by Chris Moyles

And we'll be dancing and singing  
And climbing up on the tables  
We'll be rocking this album by someone they call  
Chris  
It's only track 1 and there's lots more to come  
On the album by Chris Moyles

And weâ€™ll be dancing and singing  
And climbing up on the tables  
And the orchestras playing with me Pixie Lott  
And that was track one and the albums begun
