I wanna be drunk when I wake up,  
I wanna be drunk by 7 o'clock,  
I wanna be smashed before the world wakes,  
Pouring vodka not milk on my cornflakes,  
No coffee cause I would not be drunk at all.  
I wanna be drunk by this morning  
Cause a bit of booze makes it less boring,  
Schoefield windshield I'm not very sober,  
I think I'll struggle to get through this song,  
Cause I need some booze every once in a while,  
Helps me get through Jeremy Kyle,  
All drama through lie detection, mum F#cked a  
member of One Direction,  
Pass the lager lets stop the thinking and  
Carry on with a whole lot of drinking beer with pie, with  
pie
