Do you remember  
Back in 1966?  
Country Jesus, hillbilly blues  
That's where I learned my licks

Oh, from coast to coast, line to line  
In every county there  
I'm talkin' 'bout that outlaw X  
Is cuttin' through the air

Anywhere, y'all  
Everywhere, y'all  
I heard it, I heard it  
I heard it on the X  
I heard it, I heard it  
I heard it on the X

We can all thank Dr. B  
Who stepped across the line  
With lots of watts he took control  
The first one of its kind

So listen to your radio  
Most each and every night  
'Cause if you don't I'm sure you won't  
Get to feeling right

Anywhere, y'all  
Everywhere, y'all  
I heard it, I heard it  
I heard it on the X  
I heard it, I heard it  
I heard it on the X

I heard it, I heard it, I heard it  
I heard it on the X

Anywhere, y'all  
Everywhere, y'all  
I heard it, I heard it  
I heard it on the X  
I heard it, I heard it

I heard it on the X

Anywhere, y'all  
Everywhere, y'all  
I heard it, I heard it  
I heard it on the X  
I heard it, I heard it  
I heard it on the X
