I can't stay at home
When the night is calling
I got lots of friends
To join me for a drink
But there's noone there
Who can stop me falling
'Cos your love
Is like the missing link

Oh baby I miss you
When the mem'ries creep into my mind
Baby I miss you
Tears of desperation make me blind
Baby I miss you
'Cos I left the good times way behind
Baby I miss you
Wanna be with you

I won't miss a chance
Looking for a new love
Searching for the girls
When the day is done
But I feel my heart's
Looking for a true love
And I know
You're the only one

Oh baby I miss you
When the mem'ries creep into my mind
Baby I miss you
Tears of desperation make me blind
Baby I miss you
'Cos I left the good times way behind
Baby I miss you
Wanna be with you

Baby I miss you

And if we ever meet again
Open you heart if you can

Oh baby I miss you
When the mem'ries creep into my mind

Baby I miss you
Tears of desperation make me blind

Baby I miss you
'Cos I left the good times way behind

Baby I miss you
Oh baby I miss you
When the mem'ries creep into my mind

Baby I miss you
Tears of desperation make me blind

Baby I miss you
'Cos I left the good times way behind

Baby I miss you
