Love is like a loser's game

I'll never play again

I'm through with love forever.

Oh

I'm like a fallen star

Love can leave a scar

It's raining in my heart

babe.

Yes

it's true

I'm still missing you.

Broken heroes and fallen angels

Broken dreams and hearts of stone

There's no smoke

girl

without a fire

And I'm standing here alone

all alone.

How much have I sacrificed?

My heart aches deep inside

In the name of love

girl.

And how much time and loneliness

I traded for a kiss

It's raining in my heart

babe.

Yes

it's true

I'm still missing you.

Broken heroes and fallen angels
