There's an aching in my heart
I'm trying not to lose it
'Cause I've been burned before
And I know how to use it

Oh if you lose control
Capture my heart
Imprison my soul

There's an aching in my heart
Oh hauling¹ after you
Holding on to me
There's an aching in my heart
It's a tragedy
Dancing in the dark
Love's abandoned me
Oh and no-one can see
It's a tragedy
Oh it's a tragedy

Oh hauling after you
Holding on to me
There's an aching in my heart
It's a tragedy
Dancing in the dark
Love's abandoned me
Oh and no-one can see
It's a tragedy
Oh hauling after you
Holding on to me
There's an aching in my heart
It's a tragedy
Dancing in the dark
Love's abandoned me
Oh and no-one can see

It's a tragedy
Oh it's a tragedy
Mmm it's a tragedy

It's a tragedy
Aching in my heart
It's a tragedy
(repeated in various ways...)

Â¹I really can't understand this word. This is my best guess, as in "chasing after you." Another possibility would be "hoping."
