you are walking down street not really go anywhere
when suddenly you and me one way love affair why she
has alone send to your heart and i all want to know
you could you break apart .i if had a chance again i will
do it just the same and if i had some words to say i will
say them all again now i think you know just watch you
start the blame just people say to those cause a one
way love affair. you are walking in the night each out of
some one i need to hold the time is more than you
convert close your eyes again imagine she is beside
you to scare to turn around and find that she is not
there when i think i love you said it hurt me just the
same now i know the song is gone ooh let me with
blame then ask me who i am and tell them i am ok i just
say to those cause one way love affair people say to
those cause a one way love affair.
