Chris: When you broke the promise of love  
I told you we were through  
But there's still that pain inside me

Lory: Torn between two feelings tonight  
I am helpless and blue  
We are worlds apart can't you see

Lory & Chris: But if you miss me  
Send a sign to my heart  
So I'll know it's alright  
Send a message of love  
In the dark of the night  
Oh babe if you miss me  
I will feel it inside  
And I'll come back to you  
You will turn on a light  
And I'll know that it's true

Lory: I want you to miss me

Chris: Baby I miss you  
Lookin' at the darkness outside  
Thoughts are driftin' back home  
Baby you are still on my mind

Lory: I'm just feeling lonesome tonight  
Cos my dreams are all gone  
New ones ain't so easy to find

Lory & Chris: But if you miss me

Send a sign to my heart  
So I'll know it's alright  
Send a message of love  
In the dark of the night  
Oh babe if you miss me  
I will feel it inside  
And I'll come back to you  
You will turn on a light  
And I'll know that it's true

Lory: I want you to miss me

Chris: Oh Baby I miss you

Lory: I pray you will miss me

Chris: Yes I miss you

Lory: Baby you're still on my mind

Lory & Chris: But if you miss me

Send a sign to my heart

So I'll know it's alright

Send a message of love

In the dark of the night

Oh babe if you miss me

I will feel it inside

And I'll come back to you

You will turn on a light

And I'll know that it's true

Lory: I want you to miss me

Chris: Oh Baby I miss you
