Could this be true? Could this be me?
The one who kept himself so high and free
Caught up in the highest game of all
And all my defenses tumble and fall
And only the ace of hearts can save now
(Ace of hearts)

I wake in early hours and I call your name
And it's your face I see pressed up against my window
pane
And suddenly I realize
As the tears start to flow like rain from the sky
Only the ace of hearts can save me now

Ace of hearts tell me what's this game we're playing
Ace of hearts it's all down to you, yeah
I'm lost, lost like a child in a strange dream
Open your doors and pull me, pull me, pull me through

And I'm flying like the wind in the dead of the night
I'm flying so high searching for the landing lights
I've never been this way before
But darling all I need is your love more and more
Only the ace of hearts can save me now
I said only the ace of hearts can save me now
I said only the ace of hearts can save me now

Ooh, ace of hearts
Ooh, ace of hearts
(Only the ace of hearts)
Ooh, ace of hearts
(Can save me now)

Ooh, ace of hearts
(Only the ace of hearts)
Ooh, ace of hearts
(Can save me now, yeah)

Ooh, ace of hearts
(Only the ace of hearts can save me now, yeah)
Ooh, ace of hearts
Ooh, ace of hearts

Ooh, ace of hearts
