Ten Thousand princes
I've seen them all
I've seen them come
And I've seen them fall
I've watched them win
I've watched them loose
Since you've been around
No-one gets to choose
Because when the game begins
And the time is now
When there is no more talking
Only here and now
There is only here and now
I ain't seen anything quite like you
Ain't been anyone quite like you
Then Thousand princes
All backs against the wall
Then Thousand losers
When the winner comes to call

How they scream in frustration
Ten thousand reasons why
The rhetoric is endless
I see the laughter in your eyes
Because when the game begins
And the time is now
When there is no more talking
Only here and now
Only here and now
I ain't seen anything quite like you
Ain't been anyone quite like you
