The cold axe of bad luck  
Sure cut you down  
There's nothing to hold on to here  
In this part of town

Your heart has been broken  
But hear what I say  
Ain't nothing but a cold night  
Bringing on a new day

I know what you're feeling  
What you're going through  
How much it must hurt you  
Like nothing else do

Don't cry, baby don't cry  
The worst is over  
Don't cry, baby don't cry  
The worst is gone  
Baby don't cry, baby don't cry

Hey little angel  
Hear what I say  
All the pain that you're feeling  
I swear it won't stay

'Cos I got the wisdom  
Of a thousand broken bones  
And I'll be here with you,  
So you're never alone, singin'

Don't cry, baby don't cry  
The worst is over now  
Don't cry, baby don't cry  
The worst is gone

Don't cry, baby don't cry  
I'll stay here with you  
Don't cry, baby don't cry  
The worst is gone  
Baby don't cry

I will be with you  
So you're never alone

Don't cry, baby don't cry  
The worst is over  
Don't cry, baby don't cry  
The worst is gone

(rep chorus over outro solo until fade)
