Take a look  
What's been going on behind me  
I swear to God  
This ain't no making of my own

That stupid cupid arrow  
Lost for years and never found me  
Now she's dancing on my history  
And she drives the dagger home

'Cos when I see that angel walking past my window  
When I see that angel walking past my door  
I know what this tired old heart's been waiting, waiting  
for  
Boom, boom, oh, boom, boom

Yeah, boom, boom  
Yeah, boom, boom

Yeah, boom, boom  
Alright, goes boom, boom  
Yeah, boom, boom  
Alright, goes boom, boom

Well, hey, yeah, yeah, yeah

Alright, goes boom, boom  
Yeah, hey, yeah

Every time you walk past my window  
Their heart goes boom boom  
Hey, yeah, yeah, yeah, yeah  
Yeah, boom, boom, hey, yeah, boom, boom
