She's goin' down
(She's goin' down)
He's goin' down
(She's goin' down)

I'm coming off the ropes
(He's going down)
He thinks I'm beat
(He's going down)

I'm coming off the ropes, yeah
(He's going down)
This ain't no retreat
(Wow, sucker punch)

He thinks I'm going down
For sure my head is spinning 'round
When I straighten up
I'm going to knock him off his feet
(He's going down)

I'm coming off the ropes
(He's going down)
Yeah, I'm coming off the ropes
(She's goin' down)

I'm coming off the ropes
(He's going down)
He made me angry now
(He's going down)

I only need to straighten up
(He's going down)
I'm going to show him how
(He's going down, down, down)

I can hear someone count to ten
Seems like a lifetime, but I'll tell you when
(Wow, sucker punch)

I know I'm safe down here
So till then, must have been a lucky swing

Two years ago, I would have not let him in
(He's going down, he's going down)

I'm coming off the ropes
(Wow, sucker punch, wow, sucker punch)
I'm coming off the ropes
(He's going down)

He's going down, down, down
Down, down, down
He's going down, he's going down
He's going down, he's going down

He's going down, he's going down
He's going down, he's going down
(Wow, sucker punch)

He's going down
(Wow, sucker punch)
He's going down
(Wow, sucker punch)

He's going down, he's going down
He's going down
(Wow, wow, wow, wow)
He's going down
(Wow, down, down, wow, down, down)
