Dyin' flame, you're free again  
Who could love and do that to you?  
All dressed in black, he won't be comin' back  
Well save your tears, you got years and years

The pains of seventeen's  
Unreal they're only dreams  
Save your cryin' for the day

Fool if you think it's over  
'Cause you said goodbye  
Fool if you think it's over  
I'll tell you why

New born eyes always cry with pain  
At the first look at the mornin' sun  
Fool if you think it's over  
It's just begun

Miss teenage dream, such a tragic scene  
He knocked your crown and ran away  
First wound of pride and how you cried and cried  
Well save your tears, you got years and years

Fool if you think it's over  
Fool if you think it's over

I'll buy you first good wine  
We'll have a real good time  
And save your cryin' for the day

Fool if you think it's over  
'Cause you said goodbye  
Fool if you think it's over  
I'll tell you why

New born eyes always cry with pain  
At the first look at the mornin' sun  
Fool if you think it's over  
It's just begun

New born eyes always cry with pain

At the first look at the mornin' sun  
Fool if you think it's over  
It's just begun yeah

Fool if you think it's over  
Fool if you think it's over
