"Goodbye Little Columbus"

The plain is waiting...
And you must go
"Goodbye, I'm going to miss you",
And all the things you say
At a leaving, ah just turn your head
And walk away
Goodbye Little Columbus
Goodbye, see you one day
Goodbye Little Columbus
Travelling Travellin'...
That certain moment
The final call
And that desperate search for "c'est la vie"

Oh what you'd give to hear; of a slight delay,
Ah just turn your head and walk away,
Walk away, walk away
Goodbye Little Columbus
Goodbye, see you one day
Goodbye Little Columbus
Travelling Travellin'...
You've made up your mind...
And now you've got to go
