I got my wheels
I got my clean shirt
I got enough
To get me where she'll be

Skin is burning
Heart's on fire
Take my own dream
To the sea
All I know is
She will be there

Turn it up
And turn it on

All summer long
All summer long

Look ahead
There's nothing but blue sky
Kiss the rain
and laugh as it goes by
learn to smile
While everyone else cries
Sing this song
All summer long
All summer long
All summer long

I've been waiting
Through the winter
I've been dreaming
Of this day

All I know is
She will be there

So turn it up
Turn it on
Turn it up
Turn it on
All summer long
All summer long

Nothing but blue skies
Nothing but blue skies
