Soldiers of fortune
Lost in the wind
No destinations
And nothing to win
Keeping heads above water
You get dirty and mean
Scrubbing forever
And you never come clean
A life that is easy
A dream that comes true
Flowers for someone
But they're sure ain't for me...
Your room's filled with soft light

Safe and secure
Mine is the dark night
And nothing's for sure
We're just passing through
A life that is easy
A dream to be free
Flowers for someone...
But they ain't for you
And they sure ain't for me
We're just passing through
