Well, we come down to the valley
Yeah, we're looking for the honey
I see a rainbow
I say that's the land of milk and honey

Me and my cousin, me and my brother
My little sister too

Come looking for a rainbow
Yeah, we're looking for a rainbow

Well, we come down to the valley
Got our babies in our arms
Yeah, we're Maggie's little children
And we're looking for Maggie's farm

Me and my cousin, me and my brother
My little sister too

Come looking for a rainbow
Oh, we're looking for a rainbow
Yeah, we're looking for a rainbow
Oh, we're looking for a rainbow, yeah

Well, we come down to the valley
We ain't far away no more
You can't leave us dying this time
'Cause we're all around your door

Me and my cousin, me and my brother
My little sister too

We come looking for a rainbow
Oh, we're looking for a rainbow
Yeah, we're looking for a rainbow
Oh, we're looking for a rainbow, yeah

Looking for a rainbow
Looking for a rainbow
Looking for a rainbow
Looking for a rainbow

Looking for a rainbow
Looking for a rainbow
Looking for a rainbow
Looking for a rainbow

Looking for a rainbow
Looking for a rainbow
Looking for a rainbow
Looking for a rainbow
