The morning came with a heavy snow  
Our senses free, 'cause it's time to go  
You smile and wave as the taxi pulls away  
But you cannot hide what your eyes really say

Now I made up my mind, I know what I gonna do  
I'm gonna lose my heart in you

A restless soul always wild and free  
We are such different kinds, it sure ain't easy for me  
To be without you is to lose the game  
So I will surrender, I will make the change

'Cause I made up my mind, and I know what I gonna do  
I'm gonna lose my heart in you

To be what's me would have to let you get you go  
But all I'd be is a shadow in this lonely freezing snow  
So I made up my mind, and I know what I gonna do  
I'm gonna lose my heart in you, loose my heart in you
