I've got my money
I've got it here in my hand
O.K. let me tell you
This is how we stand
I have waited so long
But a good thing's never too late
So don't take no chances
Leave nothing to fate
I want to walk tall
In midnight blue
Look good, oh so good
Step out in midnight blue
Midnight blue
I watch the razors
With their class and their style
Dressed to kill, man

Their lives is just one great big smile
And oh I want to be there
When they dish that stuff out
Cool and collected
Man that's what it's all about
So give me, give me...
I want midnight blue
I love midnight
I'm going to step out in midnight blue
Give me, give me, give me midnight blue
I'll walk tall in midnight blue
I'll look good, oh so good...
In midnight blue
