I've been everywhere, looking for an answer  
I've been in and out, of every place in town  
I've been checking out, looking for a reason  
I just can't seem to work it out, which every way I  
choose  
Oh I've been missing you  
I'm missing you  
I miss your kiss

I miss your touch  
Can't get used to it baby  
I miss you so much  
I'm missing you
