Meet me 'round about midnight  
Meet me 'round about midnight, yeah

See you 'round about midnight  
You know, I won't be late  
Let's dive into this crap house  
And the truth he'll have to wait

The truth of what has come before  
Lies bleeding way down on the floor  
And the only truth remaining still  
Is that truth don't matter anymore

(Meet me 'round about midnight)  
Meet me 'round about midnight  
I won't let you down, I swear  
We'll hang on to each other  
Down at the new, down at the New Times Square  
(Meet me 'round about midnight)  
Down at New Times Square  
(Meet me 'round about midnight)

Seems that we can't run from this  
No matter how we try  
There's nothing here worth keeping  
So let's kiss it all goodbye

Tell me what's worth keeping anyway?  
It doesn't matter what we do or say  
Everything we had they've taken it all away  
And the truth don't matter anymore

So meet me 'round about midnight  
I won't let you down, I swear  
We'll hang on to each other  
Down at the new, down at the new, New Times Square  
(Meet me 'round about midnight)

Down at the New Times Square  
(Meet me 'round about midnight)  
Down at the New Times Square  
(Meet me 'round about midnight)

Down at the New Times Square  
(Meet me 'round about midnight)

Down at the New Times Square  
(Meet me 'round about midnight)  
Oh, down at the New Times Square  
(Meet me 'round about midnight)  
Yeah, yeah, down at the New Times Square  
(Meet me 'round about midnight)  
Down at the New Times Square  
(Meet me 'round about midnight)
