### "Only to fly"

Visit "[Only to fly](#)" on MotoLyrics.com

You must live what you really love  
You must be, only watch you dreaming now  
As the bird, rising in the sky-  
You are only, only to fly!

When you hearing the sound you love,  
Are you turning walk away?  
Is it something you are freighting down?  
Are you scared what it may say?  
You must not run, you cannot hurt,  
It solely what you really feel  
It comes from you, you're deep inside  
And you'd to know, this is dream,  
This is dream- only to fly

You must live what you really love  
You must be, only watch you dreaming now  
As the bird, rising in the sky-  
You are only, only to fly! (X 2 times)
