Rain, tears of joy
Tears of pain
Is this really me?
Standing here at the station
The card said I mustn't be late
I've never really had the chance
Years and years and not even wanting
A second dance
"Look for a raincoat and a rose"

I hope no one sees, they'll laugh I know
He was always like that
Yes it always showed
Did I do something wrong?
To have to pay

In many more ways than one
Rainy day, what do I say?
How simple it's all become...

Love is for fools
And fools have no grace
Damn them while you can
Out here on the fence
Is such a lonely place
I wish I was foolish now
The greatest of pain
Is never really knowing
Maybe today I'll find out this way
The way that I'm doing
