Je veux sentir le sable
Entre mes doigts de pieds
Tamatave ma petite rouquine
Elle la sait
Long grass dancing in the day
Blue sky palm trees gently sway
I come from a land down in sun
Sit on the beach and watch the waves run
I need the sand between my toes
Tamatave my red hair girl she knows
Tamatave je t'entends m'appeler
Tamatave je t'entends m'appeler
Tommasina I hear you calling me
Tamatave je t'entends m'appeler
I feel so strange on city streets
I got these big shoes on my feet
I come from a land down in sun
Sit on the beach and watch the waves run
Tamatave je ton ton mapelay
Tamatave je ton ton mapelay
Tommasina I hear you calling me
Tamatave je ton ton mapelay
