My world is miles of endless roads
That leaves a trail of broken dreams
"Where have you been?" I hear you say
I'll meet you at the Blue Cafe

This is where the one who knows
Meets the one who doesn't care
The cards of fate the older shows
To the younger one who dares to take
The chance of no return

Where have you been?
Where are you going to?
I wanna know what's new?
I wanna go with you

What have you seen?
What do you know that's new?
Where are you going to?
'Cause I wanna go with you

The cost is great, the price is high
Take all you know and say goodbye
Your innocence experience
Mean nothing now

'Cause this is where the one who knows
Meets the one who doesn't care
"Where have you been?" I hear you say
I'll meet you at the Blue Cafe

Where have you been?
Where are you going to?
I wanna know what's new?
I wanna go with you

What have you seen?
What do you know that's new?
Where are you going to?
'Cause I wanna go with you

So meet me down at the Blue Cafe

I said, "Meet me down at the Blue Cafe"

Where have you been?
Where are you going to?
I wanna know what's new?
I wanna go with you

What have you seen?
What do you know that's new?
Where are you going to?
I wanna go with you

Down to the Blue
I'll meet you at the Blue Cafe
I'll meet you at the Blue Cafe, the Blue Cafe
