How does it feel?
Now that you know
What makes it work?
How far it can go?

Your innocent dream
Didn't know how to play
The game that was needed
And now I hear it say

Who do you love
Who do you really love?
What are you thinking of
At the end of the day?
What do you want
What do you really want?

There's no question you want
And somehow save the day
And all those that don't really know
See a bright sunny day

But the glory that shone
Like a sweet summer rain
It rolls off you and dissipates
Just as fast as it came

Who do you love
Who do you really love?
What are you thinking of
At the end of the day?
What do you want
What do you really want?

Who do you love?

Who do you love
Who do you really love?
What are you thinking of
At the end of the day?

Who do you love

Who do you really, really love?
What are you thinking of
At the end of the day?

Who do you love
Who do you really, really love?
What are you thinking of
At the end of the day?

Who do you love?
Who do you love?
